Subject: Join NYCPS for a Bus Vendor Town Hall

Dear NYC Public School Families,

The New York City Public Schools Office of Pupil Transportation warmly invites you to attend our upcoming Bus Vendor Town Hall on Tuesday, December 1, 2026 at 6:00 PM at **Queens Innovation Center, 53-16 Northern Boulevard, Woodside, NY 11377.**

Your child's daily transportation is an important part of their school experience. This Town Hall offers a valuable opportunity to engage directly with vendors, ask questions, share feedback, and voice concerns about student transportation services.

The Town Hall will consist of two parts:

- Part 1: OPT will provide updates and address common questions and themes submitted in advance by families.
- Part 2: Families attending in person will have an opportunity to speak directly with their bus vendor representatives regarding individual concerns or student-specific issues.

Families may attend in person or virtually. A livestream link will be available on the Bus Vendor Town Hall webpage.

To help us plan, we encourage families to register in advance. To register, submit a question or comment, and learn more about the event, please visit the Bus Vendor Town Hall webpage.

We recognize the importance of reliable student transportation and value the perspectives of the families we serve. We encourage you to join us to share feedback, ask questions, and engage directly with transportation providers. Thank you for your partnership in supporting safe and reliable transportation for NYC Public Schools students.

We look forward to hearing from you.

Sincerely,

NYC Public Schools
